Just a good  
Day in  
Columbia!

Saturday's many events and activities brought lots of visitors, neighbors and townspeople into the various parts of Columbia today. It was a wonderful weather day and a great day to meet new people. Hopefully, everyone took the opportunity to share smiles, cordial "hello's", a "sloppy Joe" sandwich with the folks at June-teenth, a hot dog with at St. Johns Herr and many of the other treats that made Columbia a special place to enjoy today!
