

Letter to the editors, Lancaster Intelligencer Journal/New Era, October 27, 2011

"Thank you for the great article, "10 years of war in Afghanistan alters lives" (10/6 Intell/New Era). There is no way to repay our troops for the sacrifices they have made in lives and injuries. I am deeply moved that we have such patriotic and heroic persons here in the USA! I can't even contemplate the amount of courage they have. I salute them sincerely." **Roberta J. Long, Columbia**
