

# More PennDOT Traffic Cameras Available for Public Viewing in South Central Pennsylvania

1/13/2012

The Pennsylvania Department of Transportation (PennDOT) this week made an additional 24 traffic cameras available for public viewing on PennDOT's website at [www.dot.state.pa.us](http://www.dot.state.pa.us) and on the 511 traveler information website at [www.511pa.com](http://www.511pa.com). The new closed circuit television cameras (CCTV) expand the visual coverage of Interstate 83 in York County and also Route 30, Route 283 and Route 222 in Lancaster County.

Altogether, in the eight-county region of south central Pennsylvania covered by PennDOT Engineering District 8, there are now 81 traffic cameras in operation. Statewide, PennDOT uses 658 cameras to monitor traffic conditions and assist in verifying incidents and providing the necessary response. The 24 additional traffic cameras in south central Pennsylvania became available for public viewing on Thursday afternoon.
