**§ 207-16. Continuous parking restricted; repairs.**

-  A. No vehicle, including boat trailers, camp trailers and any like devices, shall be allowed to remain parked on any Borough highway or street for a period longer than 48 consecutive hours. Moreover, when such a vehicle is moved, it shall be moved no less a distance than twice its own length.
- B. Except for emergency repairs which are necessitated to prevent the obstruction of traffic or such minor repairs as tire changes and the like, it shall be unlawful to repair any vehicle on any Borough highway or street.
