

Hamilton event at museum a hit

I wish to thank and compliment the personnel at the National Watch and Clock Museum for their celebration of Hamilton Watch Company's 120th Anniversary, Sept. 20.

We were welcomed with open arms and treated to a delicious variety of refreshments.

The tour of the beautiful and educational museum made this a very memorable event for former employees of Hamilton who attended this affair.

Thank you for the kindness you accorded us and your recognition of this anniversary.

John E. Mohler, Lancaster
