Sch I, Pt I, Line 2 Freedom Alliance Scholarships: As one of our Program activities, we provide college scholarships to students who are dependents of U.S. military personnel who have been killed or permanently disabled in a combat mission or a training accident. Initial approval of the scholarship calls for the student to complete an application which, among other things, requires the student to provide high school transcripts, proof of acceptance to the college or university, appropriate military documentation showing proof of service-connected death or disability.

Students may renew their scholarship for three additional academic years or the completion of their undergraduate studies - whichever comes first. To renew their scholarship, the student is required to submit transcripts showing that they have maintained a 2.0 grade point average. Students who fail to maintain a 2.0 GPA may submit transcripts and a written explanation that is taken into consideration if special circumstances are deemed to exist.

Freedom Alliance Scholarships are provided to help the sons and daughters of American military heroes achieve a college education. To ensure the funds are used for that purpose, the organization pays the scholarship directly to the college or university on the student's behalf to be applied to their account. Those funds may be used for tuition,

books, housing, or other college-related expenses. The educational institution provides Freedom Alliance with verification of the student's enrollment, expenses, and financial aid. Freedom Alliance Assistance for Troops: Freedom Alliance provides grants to hospitalized U.S. military personnel who have been wounded. Qualifying service members are required to complete a one-page application along with supporting documentation. Family members or family support counselors may complete the application on the service members' behalf. Individuals receiving grants must affirm by signature that the funds will be used for the requested purpose.
