

# BOROUGH COUNCIL MEETING OF THE WHOLE

## CITIZEN COMMENTS

June 10, 2013

Citizen Comments -Non Agenda Items Only		
<b>Jerry Hawn</b>	Discussed a notice his son received regarding	
115 South River Street	a bush growing in a sidewalk. He feels that	
Maytown, PA	Code Officials should be building relationships	
	with residents by focusing on more important	
	issues than grass and weeds.	
	Said that the order of the Council Meeting	Councilwoman Barninger suggested that residents come to
	Agenda needs to be changed so that residents	the Meeting of the Whole rather than the more formal
	have a chance to speak earlier in the meeting.	meeting on the 2nd Monday of each month. She told Mr.
	He feels that having Citizen Comments at the	Hawn that anyone can speak throughout the meeting .
	end of the meeting makes residents feel that	
	their comments are un-important to Council.	
<b>Todd Hawn</b>	Stated that he made a complaint regarding a	Mayor Lutz stated that the Borough needs to start going in
322 North 3rd Street	neighbors property at the previous Borough	to clean up unsightly properties when noone responds to
Columbia, PA	Council Meeting and that nothing has been	notices and that the properties should be liened for the
	done to date to resolve the issues.	cost. Borough Mananger Sulkosky noted that citations
		were issued for the property in question but that the owner
		has not responded as of now.
	Discussed an area near his home on 3rd Street	Mayor Lutz told Mr. Hawn to contact the State Legislature
	which was cut by UGI and patched. It later	(Representative Hickernell and/or Senator Brubaker) to
	sank and was patched by the Borough but	have them contact PennDot to fix the roadways in question.
	sank again.	
<b>Larry Laird</b>	Discussed that the 500 Block of Locust Street	Mayor Lutz discussed the need for signs to be purchased
513 Locust Street	and the street construction.	through the Borough. He also noted that the Borough should
Columbia, PA		be notifying residents, businesses and emergency crews
		so they are aware of construction.
