

**The “Partners in Thyme” Herb Club** will hold its first meeting for calendar year September 2016-June 2017 at the Glenview Alliance Church , 10037 Susquehanna Trail, Glen Rock, Pa. 17327 on Friday September 2, 2016 at 10:30 AM

The program for this meeting will be given exclusively by each member who will give a short talk on a parsley plant they each received last May by the club President, Mary Laczkoskie .

## Partners in Thyme

It is meant to be a “SHOW AND TELL” on how many ways the parsley herb can be used and what a beautiful herb it is.

We see parsley in all the grocery stores, farmers markets and lawn and garden shops, but there are many uses for it and not all of it is cooking. Our ladies of the club will explore its many uses in our household and garden areas.

The program will be followed by a business meeting with all our boards members and membership. A Tea/Luncheon will then be served by our club’s hospitality group.

Our October meeting will feature which is the renowned herbalist, Sarah Preston from Lancaster Pa. who will give us an exceptional herb program from the Labyrinth of herbs
