

Feet in the Street Art Show

Susquehanna Valley Chamber of Commerce invites the public to participate in the Feet in the Street Art Show, a free community event coordinated by SVCC. Hands-on art activities for all ages, magic, and food trucks will be located in the 500 Block of Locust Street and in Locust Street Park. The event will be held on Friday, September 23, from 5pm to 7:30pm with the food trucks staying until 8pm.

Hands-on activities such as chalk drawing in the street, make and take crafts, and giant string art may be enjoyed by the young and young at heart. Our guests may meander to the Feet in the Street foot painting area to leave their footprint in paint. Willing attendees may dip one or both feet in various buckets containing different colors of paint to leave a personal imprint on the newsprint provided.

At 6:30pm attendees are invited to join in the wonder of The Magic of Daniel Clemente. The interactive magic show for all ages will take place by the gazebo in the park from approximately 6:30pm – 7:30pm. Throughout the evening, the public is invited to enjoy art displays from Columbia High School which will be found in Locust Street Park.
