

THE 19th ANNUAL
COLUMBIA COMMUNITY

EASTER EGG HUNT
Sponsored by
IMPACT Christian Center &
Local Area Businesses and Civic Organizations

WHY WE DO THIS EGG HUNT

The heart of Impact Christian Center (ICC) is to see each person discover what their God given purpose is here on earth, to help them fulfill their purpose and potential in Christ, and for each one to impact their sphere of influence with the life changing love of God. With that Mission in Mind, each year since 2001, Impact Christian Center has held the Columbia Community Easter Egg Hunt at Glatfelter Field to bring the community together in celebration of the Easter holiday with friends, family and neighbors.
